

25m Maintenance Backed Traffic Mat

Product Code	HMR123	Colour	Black
Dimensions	91cm x 25m	Number of Items	1 Roll
Absorbency Litres	40		

Our Backed traffic mat, is the most durable rug, you can even drive over it! They absorb liquids to prevent slip and fall injuries in aisles. Walkways next to leaky machines and areas with forklift traffic can become slippery and dangerous. And clay and cardboard don't do much to make them cleaner or safer. Instead, roll out a Traffic Mat Rug to protect workers.
