

## HUG 20cm Oil-Only Standard Marine Booms

Product Code: HOB143

HUG Oil Only Extra Large Marine Boom is highly effective on spills in water applications such as streams, rivers, lakes as well as wet weather situations due to their ability to float even when saturated. They would be twice as heavy as the standard, making them a more effective option in the event of removing oil from water. The booms can be linked together by hooks and clasps already attached to the booms.
