Chemical Absorbent Socks

Product Code: HCS149

HUG Fast Absorbent Chemical Socks have a knitted outer skin which allows liquids to be absorbed much quicker. It also gives the sock ability to expand and contain more fluid. The flexibility of the socks gives us the option to use round the bottom of leaking machinery, and prevent spills from spreading.

Colour: Yellow

Dimensions: 8cm x 1.2m

Absorbency Litres: 80

Product Includes: 15 Socks
